

Civil Air Patrol Meeting

At this meeting attendees will learn about VIP TFRs in the Boston Area and the lessons that can be learned from all pilots. You will hear about what type of pilot and how have they gotten into hot water by tangling with VIP TFRs. The Boston & Cape Areas have had their fair share of VIP TFRs. Learn what can you do to avoid the mistakes others have made. Click the link below and register TODAY.

Directions: The Academy for Science & Design is approximately 3 miles on Rt 101A west from both exits 7W & 8 of Everett Turnpike in Nashua NH. It is about 2/10ths of a mile east of the Nashua NHTI college on the opposite side of Rt 101A.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
